Hi Marlaine. Checking in again on the CHARMS subpoena (I got your out-of-office on the one below).

In addition to the question below, we'll have some additional follow-up on the TraCS production, which we'll get you shortly, but I did want to see where we were on CHARMS.

Thanks.

Hi. Wanted to check in on the CHARMS subpoena.

Also, on TraCS, do you know what the "Location Codes" are? There are 14 of them: 1499 and a bunch in the 1500s.

Thanks!
